**Grape varieties :** Côt Noir 40%, Cabernet franc 30%, Gamay Noir 30%.

**Alcohol:** 11.5% vol.

**Yield :** 40 hl / ha

**Acreage :** 51 ha dont 3 ha pour ce vin

### VATTING CHARACTERISTICS

Careful hand-harvesting on Côt Noir et Gamay Noir,

Mechanical harvesting on Cabernet Franc.

Sorting on a table at the cellar.

12 days average vatting time.

Malolactic fermentation

Maturation in stainless steel vats

### WINE CHARACTERISTICS

Small yield, fruity wine, supple and soft; can wait several years before consumption (3 years).

**Food matching :** Red meat, cheeses.

### A COUPLE OF WORDS ABOUT THE VINEYARD

**Vineyard of 51ha.**

This vineyard was owned by Comte Eudes II de Blois.

It is located on the right side of La Loire between Blois and Tours, in front of the Château de Chaumont sur Loire.

### BIO DYNAMIC CULTURE since 1994

Ploughing of the vines. (No use of weed killer)

If necessary, treatments are made from pure minerals and elements (Bordeaux paste, sulphur, herbal teas active)
